

In **one** year,
the USAF generates
more **solid** waste
than 450 **miles** of
9,000 **loaded** C-5's.
go?

where does it

DO YOUR PART TO WIN THE WAR AGAINST WASTE.

Every year YOU receive 1½ trees...worth of junk mail.
That's 4 MILLION tons of junk mail in the U.S.

REDUCE. Stop unwanted mail. Have your name removed
from mailing lists.

Each year Americans throw away 25 BILLION Styrofoam cups.
None of which will ever decompose.

REUSE. Choose recyclable containers AND reuse them!

Think of a stack of newspapers twice your height. That's how
much landfill space YOU take up each year when you don't
recycle your Sunday newspaper.

RECYCLE. Why not?

REDUCE REUSE RECYCLE

Check with your base for details about what you can do to help Win the War Against Waste.
